TO THE NEW PATIENT

OUTLINE OF OFFICE PROCEDURES & POLICIES

(*If you have been involved in motor vehicle accident or this is a work place injury, please advise front desk staff to ensure you are indeed filling out the correct paperwork for your claim)*

Step One: Please ensure you have signed in at our office register this first visit, and each subsequent visit.
Step Two: All new patients will be asked to complete a personal health history regarding current and past health problems.
Step Three: You will have a consultation with a doctor to further discuss your health and wellness concerns.
Step Four: The doctor will complete neurological, orthopaedic, and chiropractic diagnostic testing specific to your condition.
Step Five: The doctor will advise you as to the need of additional procedures such as laboratory tests and x-rays, if necessary.
Step Six: If your case requires immediate attention, emergency care will be administered, or referrals made.
Step Seven: After history and exam procedures, you will be advised as to a time you may return to meet with the doctor for your 'Report of Findings' where the doctor will review pertinent findings regarding your case, as well as provide you with information regarding potential treatment options. It is at this visit you may discuss financial arrangements, insurance coverage, and other information as it applies to you.

Informed Consent

I hereby request and consent to the performance of Chiropractic Adjustments and adjunct procedures including but not limited to various modes of physical therapy, soft tissues and trigger point techniques, electromodalities, spinal decompression, and if deemed necessary diagnostic x-rays performed on me by the Chiropractors of Oakville Chiropractic Centre.

I understand I have an opportunity to discuss with the doctor and/or additional office personnel, the nature and purpose of my treatment. I understand that results cannot and are not guaranteed.

I further understand and am informed that, as with all health care, in the practice of Chiropractic there are some slight risks associated with treatment including but not limited to muscle strains, sprains, disc injury, and stroke. I do not expect the doctor to be able to anticipate all risks and complications; and I wish to rely on the doctor to exercise judgement during the course of the procedure which the doctor feels, at the time, based on the facts then known, to be in my best interests.

I have read the above consent. I have had the opportunity to ask questions about this consent and by signing below agree to the above named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment. I also give permission to Oakville Chiropractic to contact me via the email address which I have provided regarding appointments, promos, and any office news and events.
